JUNIOR FRONT-END DEVELOPER

GDANSK, POLAND

ABOUT ME

Organized and adaptable junior front-end developer. For a few months I am working as front-end developer in Enterosoft.com. Being a software developer means being engaging with challenging project and continuing learning new techniques and languages. Simultaneously I am a research and teaching employee at the Medical University of Gdańsk, Poland. Managing research projects has taught me how to organize my work effectively.

EDUCATION

FRONT-END DEVELOPER

infoShare Academy, Gdansk, Poland (02.2020 - 09.2020)
- bootcamp 240 hours - Scrum,
